RWCC Logic Model 2012- 2027

Ultimate Outcome	**1000** Enhanced gender equality and empowerment of young and adult (Y/A) rural women in all their diversity in Ethiopia, Kenya and Tanzania					
	↑					
Intermediate Outcomes	**1100** Enhanced and more systematic engagement of and by diverse Y/A rural women from FHH and MHH in public leadership and gender-transformative decision-making processes including women's and farmers' rights and climate adaptation		**1200** Strengthened prevention of and response to sexual and gender-based violence (SGBV), including harmful traditional practices (HTPs), by individuals (f/m) and state/civil society actors		**1300** Enhanced benefit for Y/A women, particularly from FHHs, in climate-resilient and local food systems including income-generation	
	↑					
Immediate Outcomes	**1110** Increased capacity and opportunity for leadership of a diversity of Y/A rural women smallholders in farmer-led CBOs, networks and collective enterprises that focus on agroecology, farmer seed systems, and rural women's empowerment	**1120** Increased knowledge, skills, and opportunities for diverse Y/A rural women and men to advocate for gender-transformative change in institutional and public policy decision making processes	**1210** Increased awareness and knowledge of Y/A men and women, boys and girls in rural communities of women's rights related to SGBV	**1220** Increased capacity of local providers (e.g. government agencies, CSOs) to prevent and respond to SGBV for women and men in rural communities	**1310** Enhanced knowledge, skills and opportunities for young/adult rural women from FHHs and MHHs in agroecological food and seed production, biodiversity-based marketing, entrepreneurship, and income generation	**1320** Increased support for diverse Y/A rural women's access to and control over productive resources in households, rural institutions, CBOs, and farmers' groups
	↑					
Outputs	**1111** Y/A rural women from FHH and MHH with visible or critical roles in agroecology, food and seed production and marketing, trained and supported in leadership and management skills and opportunities	**1121** Y/A rural women from FHH and MHH trained by WROs & supported to participate in relevant policy processes & human rights frameworks, particularly related to women's & farmers' rights and climate change	**1211** Media and awareness campaigns on SGBV disseminated on radio, social media, and print forums to local populations (f,m, young, adult)	**1221** Frontline government staff (f/m) trained on women's rights, local legal duty of care, survivor sensitivity, and response and referral options.	**1311** Young/adult rural women farmers, particularly from FHHs, trained and supported on biodiversity-based and gender transformative agroecological production methods	**1321** Diverse rural women, men and CBOs trained & supported in advocacy to influence government implementation of women's & farmers' rights and promote improved women's access to and control over resources
	1112 Rural CBO and local institution leadership (f/m) and youth members (f/m) trained on women's rights and workload, gender equality and masculinity, and climate adaptation issues	**1122** Mentoring, peer support and knowledge sharing between diverse rural women facilitated by WROs to develop and promote effective strategies for advocacy impact and inspire engagement	**1212** Key (f/m) champions, decision makers, and duty-bearers trained on SGBV	**1222** Participatory SGBV services mapping conducted by WROs in collaboration with duty-bearers and key civil society and service provider stakeholders	**1312** Y/A rural women, particularly from FHHs, supported with training, linkages, & access to equitable credit related to biodiversity-based, gender transformative market & value chain income opportunities	**1322** Rural CBOs, WROs, and private sector actors supported to provide financial and technical support that improves women's access to and control over productive resources (capital, land, inputs)
	1113 Public awareness campaigns on women's leadership and rights disseminated via radio, social media, and community forums	**1123** Multi-stakeholder events held with rural leaders (f/m), key government officials (f/m), and WROs (f/m) on the practice and policy of women's engagement in public and rights based processes		**1223** CBOs, WROs, faith-based organizations and other networks trained to provide survivor support and intervention, and linkages to public services		**1323** Diverse Y/A rural women, men & government actors trained on gender transformational approaches constraints on women's resource control, agency, and productive roles at household & societal levels

Acronyms/Abbreviations:
Y/A - young and adult women (17 to 30 age range for young, and above 30 for adult definition)
SGBV - sexual and gender based violence
HTPs - harmful traditional practices
CBO - community based organization
WRO - women's rights organization
FHH and MHH - female headed household, male headed household
f/m - female, male
